

To everyone of Faculty, Staff and Students of Graduate School of Biomedical and Health Sciences, Hospital and Research Institute for Radiation Biology and Medicine

[2024 Graduate School of Biomedical and Health Sciences and Hospital Joint FD]

How to write and submit papers in English

Take the first step to sharing your research with the world! Two researchers will explain how to write an English paper in an easy-to-understand way, based on their own experiences. They will give you lots of tips.

You will also get information on how to submit your paper.
